

New! REACH MS (Resources for Enhancing all Caregivers Health of Veterans with MS) is a new curriculum specific for MS. As a provider who wants to offer a psychoeducational support group for Caregivers of Veterans with MS, you can now create a telephone based or in-person support groups or individual sessions with REACH MS. To become a certified REACH VA group leader, contact *REACH VA Program Coordinator Celeste Bursi* Celeste.Bursi@va.gov

REACH VA is an evidence-based education, skills building and support Program for caregivers of Veteran loved ones with ALS, PTSD, Dementia, MS or Spinal Cord injury/disorders.

Questions? Email us about REACH MS and starting a VA REACH MS Caregiver Support Group in your VA. Alicia.sloan@va.gov or Margaret.Kazmierski@va.gov

REACH Telephone based groups: [Training 2017 Schedule](#) .
